About Fuse Capital

Fuse Capital breaks the mould of traditional finance and advisory for technology firms. Operating since 2013 with clients in the UK, Europe & Asia, we have helped over 450 clients secure bespoke private debt solutions. Our passion for supporting entrepreneurs and our access to the most innovative private debt funds enables us to help accelerate growth in scaleup businesses.

We pride ourselves on our financial acumen yet are unlike traditional finance people. There are no suits worn in our office, instead, you will meet a team of diverse and young minds looking to connect and collaborate.

Fuse Capital follows a flat hierarchy methodology; everyone's voice is heard and encouraged. We enjoy the flexibility of hybrid working and believe that by bringing the right people together at the right time, our Y-O-Y growth trend will continue, and we will become the dominant player in our chosen market.

Role Overview

Due to rapid growth, we are looking to hire a Financial Controller. Your role will be to manage all day-to-day accounting, financial control and reporting at the Group and Subsidiary companies. Fuse Capital employs and operates in multiple jurisdictions and currencies. A strong attention to detail, the ability to work under pressure and a focus upon clarity of information to the board is essential. So, if you are ambitious and looking for your next challenge, Fuse Capital is an excellent entrepreneurial place to grow your career.

Key Responsibilities

- Co-ordinating and directing the preparation of the financial model, annual budget and regular financial forecasts whilst tracking changes
- Preparing and publishing timely monthly management accounts and board reports
- Ensuring compliance with accounting and tax-related regulations, laws and filing requirements in all jurisdictions, seeking professional support where necessary
- Managing across different cultures, and across multiple subsidiaries, jurisdictions & time zones.
- Monitoring projects and marketing initiatives with a focus on their cost control and ROIs
- Operating at board level with poise and confidence
- Ensuring accuracy and effectiveness of internal systems and procedures, applying a healthy eye for detail and diligence
- Providing a proven ability to drive efficiency and process reviews across an international organization
- Driving a new enhanced internal time management process
- Overseeing the external statutory accounts process

- Managing the Employee Share Option Scheme
- Supplier management

Qualifications & Requirements

- Must be fully qualified in either ACA, ACCA, CIMA (or equivalent)
- SME experience preferred ideally in a fast growth environment
- Enjoys looking at the bigger picture but is also very happy being hands-on
- Keen to make a difference and add value
- 5+ years' experience
- Be commercially savvy and have business awareness
- The ability to prioritise and have good time management skills
- Thorough and methodical attention to detail
- Excellent presentation and communication skills
- Have an analytical approach to your work
- The capability to turn complex data into logical formats and analysis
- Data driven but always seeking produce meaningful information
- MS Dynamics or other CRM experience essential

How to Apply:

Please send your CV and cover letter to jobs@fuse-capital.com and include "Financial Controller Application - [Your Name]" in the subject line.
