About Fuse Capital

Fuse Capital breaks the mould of finance and traditional technology advisory firms. Operating since 2013 with clients in UK, Europe & Asia, we have helped over 350 clients secure bespoke private debt solutions. Our passion for supporting entrepreneurs and insight into the best private funds around the world enables us to accelerate growth.

We pride ourselves on our financial acumen yet are unlike traditional finance people. There are no suits worn in our office, instead, you will meet a team of diverse and young minds looking to connect and collaborate.

Fuse Capital follows a flat hierarchy methodology; everyone's voice is heard and encouraged. We enjoy the flexibility of hybrid working and believe that by bringing the right people together at the right time, our YOY growth trend will continue.

Job Overview

Due to rapid growth, we are looking to hire a dedicated and experienced Investment Manager. Our Investment Managers' work closely with the Head of Advisory to lead the management of client relationships and execution of debt advisory transactions. With exceptional deal flow and exposure to a global client base of technology enabled high growth technology businesses, many of whom are VC backed you will have the opportunity to work in a dynamic environment, developing broad skills in debt advisory and private credit execution with significant client interaction. You will have regular exposure and day to day interaction with Founding Management and Head of Advisory. A strong attention to detail and the ability to work under pressure is essential. So, if you are ambitious and a looking for your next challenge, Fuse Capital is an excellent place to grow your career.
