About Fuse Capital

Fuse Capital breaks the mould of finance and traditional technology advisory firms. Our passion for supporting entrepreneurs and insight into the best private funds around the world enables us to accelerate growth.

We pride ourselves on our financial acumen yet are unlike traditional finance people. There are no suits worn in our office, instead, you will meet a team of diverse and young minds looking to connect and collaborate.

Fuse Capital follows a flat hierarchy methodology; everyone's voice is heard and encouraged. We enjoy the flexibility of hybrid working and believe that by bringing the right people together at the right time, our YOY growth trend will continue.

A few points to add:

- Advisory for 350+ clients
- Offices in London & Brighton
- The No.1 advisor for High-Growth Technology Firms
- Clients in UK, Europe & Asia
- Rapidly Evolving Workplace
- Operating Since 2013

The role.

This role is to lead the team on debt advisory transactions focused primarily on high growth tech businesses; Production of integrated financial models and transaction materials (teasers, information memorandum, management presentations, term sheet comparisons); Preparation of pitch books and relevant analysis for client and marketing meetings; Maintenance of proprietary intelligence databases.

Your primary duties will include, but not be limited to:

- Contributes to or assists in drafting proposals, professional articles or marketing materials with a focus on winning work or enhancing the firm's reputation
- Shows real interest and desire to understand clients, market features and technical aspects while grasping new concepts quickly and effectively
- Actively develops, mentors and coaches team members and starts to delegate where appropriate
- Proactively seeks opportunities for greater responsibility to increase skill set and build on existing strengths
- Is accountable for the delivery of high quality engagement work that is on time and ready for client/manager review

Qualifications & experience

- 3-5 years experience, preferably in Debt Advisory or either Leveraged Finance or Private Debt
- ACA, ACT, CFA or similar professional qualification preferred
- Strong academic background
- Ability to identify critical & relevant data sources
- Strong numerical, analytical and strategic thinking skills
- Excellent written and verbal communication skills
- Personal drive to deliver results within tight deadlines
- Personable team player with the ability to create confidence and trust with colleagues and clients alike
- Commitment to high quality standards & detail oriented
