About Fuse Capital

Fuse Capital breaks the mould of finance and traditional technology advisory firms. Our passion for supporting entrepreneurs and insight into the best private funds around the world enables us to accelerate growth.

We pride ourselves on our financial acumen yet are unlike traditional finance people. There are no suits worn in our office, instead, you will meet a team of diverse and young minds looking to connect and collaborate.

Fuse Capital follows a flat hierarchy methodology; everyone's voice is heard and encouraged. We enjoy the flexibility of hybrid working and believe that by bringing the right people together at the right time, our YOY growth trend will continue.

A few points to add:

- Advisory for 350+ clients
- Offices in London & Brighton
- The No.1 advisor for High-Growth Technology Firms
- Clients in UK, Europe & Asia
- Rapidly Evolving Workplace
- Operating Since 2013

The role.

This is a client facing role. You'll liaise, advise and support clients throughout their engagement.

Your primary duties will include, but not be limited to:

- A strong focus on overseeing and producing investor memorandums and credit papers
- Undertaking financial analysis of clients
- Financial modelling
- Coordinating financial due diligence and legal contracts with clients and lenders
- Identifying and developing relationships with active lending institutions across the company's core sectors
- Negotiating terms with lenders and clients
- Planning, managing and executing multiple ongoing assignments while ensuring you meet tight deadlines

Qualifications & experience

- 1-2 years work place experience
- A degree in a relevant field
- An accountancy qualification is desirable
- Financial modelling experience
- Debt or equity advisory experience
- Excellent communication skills
